HOBBIES: PERSONAL VIDEO CREATOR

I create personal films exploring my talents in writing and storytelling as well as the ability to bring forth emotion through color grading, sound design, shot composition, and music. The videos are apart of a larger community that helps bring people together through a shared loved of creating films.

Organized and dependable candidate successful at managing multiple priorities with a positive attitude. Willingness to take on added responsibilities to meet team goals.

EXPERIENCE

April 2024 - Current
Systems Engineering CWEP ***University of Central Florida***, Orlando, FL
- Upkeep the Confluence and Sharepoint sites for Systems Engineering.
